

ANNUAL REPORT

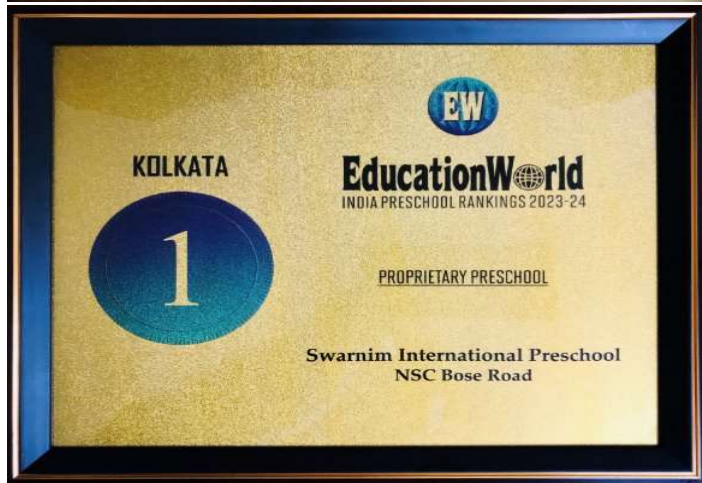

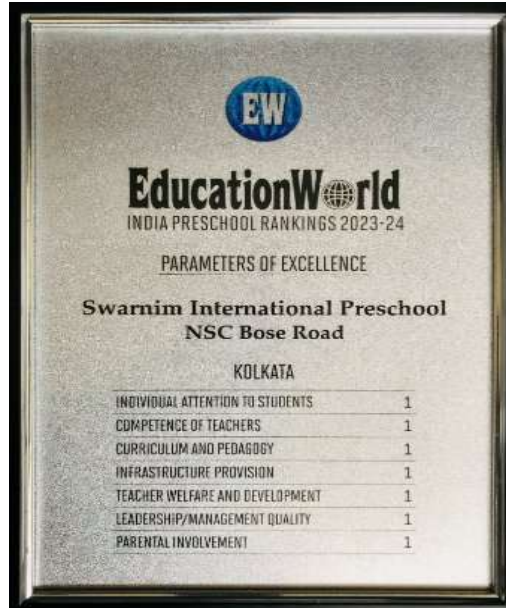

2023-2024

OUR ACHIEVEMENTS

Swarnim International School is proud and privileged to have received the following awards and recognition in 2023-2024 from various prestigious organizations:

- Swarnim ranked # 1 in Parameters of Individual Attention to Students, Competence of Teachers, Curriculum and Pedagogy, Infrastructure Provision, Teacher Welfare and Development, Leadership / Management Quality, Parental Involvement by Education World
- Kolkata's best school in the category of Proprietary Preschool by Education World.
- Received appreciation by Indian Museum Kolkata, Ministry of Culture, Government of India
- Swarnim International School was amongst the top 10 CO-ED DAY SCHOOL of Kolkata by Education World.
- Received the prestigious Gurukul Award for School with Character by Lions International District
- Winner of Inspiring Education Hero Award by EGN INDIA

OUR ACHIEVEMENTS

OUR PEDAGOGY

Swarnim offers a challenging and stimulating learning environment, a plethora of co-curricular activities and a comprehensive pedagogy. We stress on experiential learning and incorporate the multiple intelligences theory in the classrooms to individualize teaching.

OUR CURRICULUM

The school follows detailed guidelines for framing the syllabus for the academic session. We also have a well-planned assessment schedule for the student, which gives them ample time to prepare for their examination. The examination schedule for Classes III to V is planned in such a manner that the young students do not feel burdened. The school has a team of well-trained and experienced teachers to help and guide the students to get the best teaching-learning outcomes. Feedback and remediation of our academic curriculum is based on four structured evaluations (3 Periodic Assessments and 1 Summative final term Assessment) besides 2 Diagnostic Assessments.

2023-24 Assessment Dates:

1st Periodic Assessment - 21st July to 28th July 2023

2nd Periodic Assessment – 11th September to 18th September 2023

3rd Periodic Assessment – 14th December to 21st December 2023

Final Assessment – 29th February to 7th March 2024.

OUR CURRICULUM

Swarnim International School has undertaken 2 programs of Educational Initiatives which is an advisory organization for CBSE, to provide the best learning environment for our students. The MindSpark program is based on adaptive logic and focuses on individualized learning to help children recognize their strengths and weaknesses and develop a better understanding of topics by addressing misconceptions. Educational Initiatives also design diagnostic assessments (DA) to test the essential concepts in English, Mathematics, Science and Social Studies and to identify the learning gaps and prepare remediation. Besides these, our students appeared for SOF Olympiads, Spell-a-thon, LogiQids Mental Aptitude Olympiad, Pathfinder National Talent Search and International Reading Olympiad by Stones2Milestones.

OUR CLUBS

Students participate in a range of intra- school and inter- school activities that blend academic skills with creative pursuits. Groomed to be young leaders, students are encouraged to organize and participate in a variety of cocurricular experiences and school events.

Drama & Elocution Club:

To foster creativity and develop language proficiency while becoming adept at communication skills. He/ she will also participate in debates and elocution as well as oversee the school newsletter.

Green Club:

To meet the Sustainable Development Goals by adopting trees and planting vegetables, managing waste and collaborating with others on environmental initiatives, while learning about the 3 Rs-Reduce, Recycle and Reuse.

OUR CLUBS

Cookery Club:

To foster creativity, explore different cuisines and appreciate diversity through culinary skills besides becoming aware of healthier eating habits and nutritional benefits of various foods.

Quiz Club:

To learn and boost their self-esteem and confidence by honing their competitive skills, mental agility and curiosity.

Catalyst of Change:

To take initiatives to change for the better by finding unique way share time, resources and knowledge with the less privileged.

OUR CLUBS

Chess Club:

To promotes intellectual growth, emotional resilience, and social skills, making it a valuable addition to the curriculum as an extracurricular activity

Scouts and Guides:

In order to offer a comprehensive learning experience that combines outdoor adventure, skill development, character building, and community service. It encourages personal growth, fosters leadership qualities, and promotes values that contribute to a well-rounded education and preparation for life.

CLUB ACTIVITIES

OUR HOUSES

To promote sense of leadership ,team spirit and sense of belonging to the school Swarnim has four houses named after the Sanskrit names of stars represent brilliance and hope. The orange house is Arundhati, green house is Rohini, blue house is Dhruv and yellow house is Atri.

HEAD BOY- MIZANUR RAHAMAN GAZI (CLASS IX)

HEAD GIRL- AISHIKI BHATTACHARYA (CLASS IX)

House Arundhati

Captain : Deepmalya Dey (Class IX)

Vice-Captain: Sahishth Vidyarthi (Class VIII)

Games Captain:Sun Mazumdar(Class IX)

House Atri

Captain: Shinjan Mandal (Class IX)

Vice- Captain: Chandreyee Das (ClassVIII)

Games Captain: Soham Keshri (Class VIII)

House Dhruv

Captain: Adityadeb Gon (Class IX)

Vice- Captain: Shreya Nath (Class IX)

Games Captain: Avinanda Banerjee (Class VIII)

House Rohini

Captain: Sumona Khatun(Class IX)

Vice- Captain: Tamoshmita Mondal (Class VIII)

Games Captain: Srijit Halder (Class VIII)

CO-CURRICULAR **ACTIVITIES**

Co-curricular activities play an important part in the learning curve of a child. Our children took part in various activities throughout the year such as various Inter-House Competitions (Elocution, Extempore, Quiz), Rhyme n Rhythm, kite making ,tying rakhi, an outbound trip to Shantiniketan ,visit to IIT Kharagpur ,various excursions from the school within the city, being part of State's Largest Climate Clock Assembly etc. Our students had a learning experience from all. Various special assemblies were held to commemorate occasions like International Mother Language Day, Netaji's Birthday, Swami Vivekananda's Birthday, Earth Day etc. These instill important values in our children, which will help in shaping their character and making them better citizens.

NEWSLETTER

SIS publishes its biannual newsletters in the months of October and April on its website, which contain a detailed documentation of teaching-learning activity of the school.

SIS# OCTOBER 2023

RESIDENT DIRECTOR'S MESSAGE

With 500 curious minds and creative hands, there is always something to celebrate.

This session we have had a successful Montage, the annual exhibition with the theme of Healing hands and the CEO Ms Richa Singh Debgupta loved the charts so much she has used them as displays in Fortis hospital.

Chess Grandmaster Mr Dibyendu Baruah played a friendly match against Major General H Dharmarajan in the One Day Open Chess Tournament where we had 150 students battling it out in a game of wits to emerge winners in 7 different categories.

We are now in the midst of preparing for the annual day with the theme of Vasudhaiva Kutumbakam.

We have introduced **Curriculum of Kindness** with Dr Amit Biswas, a neuropsychiatrist from NHS, UK.

The word **Kindness** stems from kinship—which means family. In other words, Kindness is about treating the world as a family.

A message the Annual Day will drive home.

In today's troubled times, it is important to remember and remind others that the world is actually a family. All our acts affect each other like a domino effect. The idea of Vasudev Kutumbakam emphasizes a global perspective, prioritizing the collective well-being over individual or family interests. It encourages to think about the welfare of others, fostering global solidarity and responsibility, especially in addressing crucial issues like climate change, sustainable development, peace, and tolerance of differences.

Swarnim is well on its way of becoming a force to reckon with – thanks to the parents' constant support; the vision of the School Managing Committee, the hard work of the team and blessings by God Almighty.

PRINCIPAL'S MESSAGE

The National Education Policy 2020 (NEP 2020) in India represents a significant shift in the country's approach to education. Let's explore how it's going to change school education in the near future and what parents can do to support their kids in this new education landscape.

NEP 2020 introduces a new 5+3+3+4 structure instead of the old 10+2 system. This shift aims to make learning more student-centered, promote critical thinking, and give children a stronger start in their education journey.

A key feature is the push for multidisciplinary education. Schools will offer a wider range of subjects to help students make informed choices about their educational and career paths. Furthermore, vocational education will be integrated into the curriculum from the 6th grade, promoting skill development and reducing the stigma associated with non-academic careers.

The policy also highlights the importance of digital literacy and technology integration in classrooms. NEP 2020 envisions a tech-savvy generation equipped to adapt to the ever-evolving world.

NEP 2020 wants to move away from the intense and rigid exam culture. Instead, there'll be varied and continuous assessment, which means less pressure on students and a deeper understanding of what they're learning. The report card will be replaced by the Holistic Progress Card, a 360-degree, multidimensional report of progress, which reflects the progress as well as the uniqueness of each learner. It includes self-assessment, peer assessment and parent's feedback.

Thus, parents' role is super important in this new setup. It is imperative for parents to stay connected with child's school and teachers and be involved in their child's learning journey. They must encourage their kids to explore their interests and provide them with resources and activities that match their passions.

Parents must promote a healthy balance between screen time and physical activities. While technology is necessary, it's equally important to ensure children engage in physical exercises, creative play, and social interactions.

They ought to nurture a growth mindset in their children, teach them to embrace challenges, be curious, and stay positive about learning.

With the collective efforts of all stakeholders, NEP 2020 has the potential to shape a generation of empowered and versatile learners, ready to excel in a dynamic world.

SIS# MARCH 2024

RESIDENT DIRECTOR'S MESSAGE

Namaste,
From October 2023 to March 2024 has been a busy year – ah well, school is always busy!
We have had myriad programs – our Annual Day – Vasudev Kutumbakam which was graced by Shri Subhas Chakrabarty, Secretary in School Education Department and State Project Director of Paschim Banga Sarba Siksha Mission and Dr. Pallab Das – Chairman of Rajpur Sonarpur Municipality.
Our Sports Day was divided into 2 programs – Foundation Years – where the Chief guests were Mrs. Rajkathi Sarkar, Principal La Martinere and Ms. Depti Khaitan, Owner and Ji, Secretary of Ballyranga Shiksha Sadan School. This was a non-competitive event based on research that competition from an early age increases stress in children, each child is unique in their own way and grows at their own pace.
A thought reinforced at the graduation ceremony of the "Kinder Garden", each child is like a flower in the garden – give them liberty to enjoy their childhood.
For the senior sports, it was an inter house competition presided over by Mrs. Meenakshi Atal, founder Vice Principal of The Heritage School as Chief Guest. We also had two students of Class 10 of the Heritage School, Ms. Adhriti and Ms. Adrina Das – two talented young cricketers who play under 19 at the Cricket Association of Bengal - their presence was a source of inspiration for our students.
A first-time this year was our students' overnight trip, which taught them many life skills, while exposing them to the serenity of Shanti Niketan.
Another highlight was the Dog Carnival – a yearly event which improves empathy towards animals in the children.
Our school was represented at the Bengal Global Business Summit.
For all these and more, We are proud recipients of the **#1 school in Kolkata Award** in the Education World India Preschool Ranking 2023-24.
Kolkata's #1 in Parameters of Individual Attention to Students, Competence of Teachers, Curriculum and Pedagogy, Infrastructure Provision, Teacher Welfare and Development, Leadership / Management Quality, Parental Involvement.
We also received Education World India School Rankings 2023-24 Rank as the **Top 10 Co-Ed Day Schools in West Bengal!**
We are the youngest school to achieve this and it only strengthens our resolve to continue doing our best for our children.
Proud of the team of Swarnim led ably by Ms. Renukanti Biswas and guided by our visionary Governing Board. May God keep blessing all of us.

PRINCIPAL'S MESSAGE

In today's digital age, managing children's screen time is a pressing concern for educators and parents alike. I am often asked to offer suggestions to overcome the woes of smart technology but as a school principal, it's imperative to address this issue with a balanced perspective, acknowledging both the advantages and pitfalls of technology in education and recreation. While gadgets and screens offer valuable learning opportunities, excessive usage can impede social skills, physical health, and academic performance.

- Set Clear Limits:** Establish clear rules for gadget use and designate specific times for screen-free activities like homework, outdoor play, and family time.
- Lead by Example:** Children often mimic their parents' behavior. Model healthy screen habits by limiting your own usage and engaging in non-digital activities. Encourage family activities that don't involve screens.
- Offer Alternatives:** Provide a variety of non-screen activities such as reading, arts and crafts, board games, and outdoor play to keep children entertained and engaged.
- Create Tech-Free Zones:** Designate certain areas in the home, like bedrooms and dining tables, where gadgets are not allowed.
- Encourage Outdoor Play:** Promote physical activity and fresh air by encouraging outdoor play, sports, and nature exploration.
- Monitor Content:** Be aware of what your child is accessing online and use parental controls to filter content. Encourage educational apps and games.
- Open Communication:** Talk to your child about the importance of balance and potential negative effects of excessive screen time. Involve them in setting screen time limits.
- Establish Rewards and Consequences:** Use positive reinforcement for adhering to screen time limits and consequences for excessive use.
- Seek Support:** Don't hesitate to seek help from teachers, counselors, or parenting groups if you're struggling to manage your child's screen time.

By implementing these strategies, parents can create a healthier balance between gadget use and other activities, promoting overall well-being of their children.

YOUNG METRO 7

Children prove to be a good sport

The two-day annual sports of Swamin International School saw students from both junior and senior sections learning important lessons on-field. The junior event was non-competitive, yet there was no dearth of enthusiasm in the students. *Young Metro* reports.

Swamin International School opened the annual sports day with a grand ceremony on the school grounds. The event was held over two days, with the junior section participating in non-competitive games and the senior section in more competitive matches. The school principal, Mrs. Anandha Devi, addressed the students, emphasizing the importance of sports in their education and life.

The school also organized a series of workshops and seminars for the students, focusing on leadership, teamwork, and sportsmanship. The students participated enthusiastically, showing their learning and growth through the activities.

The school is proud to have organized such a successful event, and the students' participation was a testament to their spirit and sportsmanship. The school will continue to organize such events to promote a healthy and active lifestyle among its students.

Grandpas and a library of stories

CHILDREN'S CORNER

Students at St. John's school always enjoy a special activity for the "Grandpa's stories" program. Mrs. Anandha Devi, the school principal, said that the program is a great way for the students to learn about their grandparents and their lives. The program involves the students writing stories about their grandparents, which are then read out loud to the class. This helps the students to develop their writing skills and to learn about their family history.

Mrs. Anandha Devi, 63, takes part in a story-telling session at Swamin International School's library. She is surrounded by a group of children who are listening intently to her story. The session is held in the school library, which is a quiet and comfortable place for the students to listen to stories.

The "Grandpa's stories" program is a great way for the students to learn about their grandparents and their lives. The program involves the students writing stories about their grandparents, which are then read out loud to the class. This helps the students to develop their writing skills and to learn about their family history.

School wall to help kids know their emotions

HEALTHY MINDS

Calcutta: A school near the city has come up with a way to encourage its students to express their emotions and explore their feelings and emotions. The students are being asked to write about what makes them feel happy, sad, angry, grateful or fearful on bits of paper and paste it on a wall.

The school believes that when students write about their feelings, it helps them to understand their own emotions and to express them in a healthy way. The school also provides a safe space for the students to talk about their feelings and to seek help if they need it.

The school is proud to have organized such a successful event, and the students' participation was a testament to their spirit and sportsmanship. The school will continue to organize such events to promote a healthy and active lifestyle among its students.

International Mother Language Day at Swamin International School

HPMI Celebrates International Mother Language Day

Swamin International School celebrated International Mother Language Day with a series of activities. The students performed plays, sang songs, and recited poems in their mother tongues. The school principal, Mrs. Anandha Devi, addressed the students, emphasizing the importance of their mother language and the role it plays in their lives.

The school is proud to have organized such a successful event, and the students' participation was a testament to their spirit and sportsmanship. The school will continue to organize such events to promote a healthy and active lifestyle among its students.

ANNUAL SPORTS MEET

The Annual Sports 2023-24 was held on 10th February and was divided into two parts. The first part was for our Foundational Years little students, while the other one was for Classes 3 to 9. The Foundational Years sports was a vibrant celebration of learning through numbers where the emphasis was on non-competitive participation, fostering a joyful and inclusive environment for all. Children enthusiastically solved numerical challenges, promoting both mental agility and physical activity. In her address, our Director, Ms. Swati Sarawagi reiterated the benefits of sports and how Swarnim encourages multifarious sporting activities. We were honored to have Ms. Rupkatha Sarakar, Principal of La Martiniere for Girls School, as our esteemed Chief Guest, and Dipti Khaitan, Additional Secretary, BSS Schools gracing the occasion as the Guest of Honour.

The Annual sports meet by our senior children led to a day filled with athleticism, teamwork, and triumph. We were honored to have Ms. Meenakshi Atal, renowned educator, as our esteemed Chief Guest. Her presence added grace and inspiration to this spirited event. We were delighted to have our Founder Chairman Shri H.P. Budhia amongst us on the day.

Our guests praised the innovative concept of merging academics with sports, recognizing the efforts of our dedicated teachers. The event was a day of enjoyment, learning, and camaraderie.

ANNUAL SPORTS MEET

ANNUAL SPORTS MEET

ANNUAL DAY

Swarnim International School celebrated its 8th Annual Day on 13th of October 2023. Chief Guest, Sri Subhra Chakraborty, Secretary in School Education Department and State Project Director of Paschim Banga Sarba Siksha Mission, and Guests of Honour, Dr. Pallab Das, Chairman of Rajpur Sonarpur Municipality, Smt. Aditi Chaudhuri, ADM, and other distinguished guests graced the occasion.

The students of Pre-primary to Class 2 captured hearts, demonstrating how a simple smile could radiate happiness. Parents responded with enthusiasm, illuminating the venue with the glow of their mobile torchlights as a testament of experiencing the sunshine smile moments during the event. Their participation added a warm and lustrous touch to the evening, symbolizing unity and shared joy at Swarnim International School's Annual Day. In a spectacular play on global unity, Swarnim International School's middle and senior section echoed the Maori proverb, "he tāngata, he tāngata, he tāngata" which means "it's the people, it's the people, it's the people". The concept of Vasudhaiva Kutumbakam, highlighting interconnectedness and mutual respect across the world, further enriched the event. The grand finale was a celebration of the spirit of Durga Puja, a confluence of diverse cultures to celebrate the true essence of humanity. It portrayed a beautiful amalgamation of traditions, echoing Tagore's poetic masterpiece, "Ei Bharat er Mahamanab er Sagor Tire." The ambience on field was electrifying as participants welcomed Maa Durga with kashful and dhunuchi in their hands swaying to the beats of dhaak. Swarnim's Annual Day highlighted the importance of embracing diverse perspectives, fostering inclusivity, and honouring traditions, making it a profound learning experience for all.

ANNUAL DAY

ANNUAL DAY

ANNUAL DAY

ANNUAL EXHIBITION- MONTAGE

The Annual Exhibition of Swarnim for the session 2023-2024 was a tribute to the contribution of doctors and medical science in our lives. Our Annual School Exhibition held on 7th July and 8th July 2024 respectively focused on the transformative world of medicine. The theme was named “Healing Hands” underscored the vital role that medical science played in our lives, from groundbreaking research and technological advancements to the dedicated work of healthcare professionals. Our exhibition showcased various facets of medicine, including historical milestones, modern innovations, and future possibilities. Students presented projects on topics such as the development of vaccines, the impact of medical technology like MRI and robotics, and the importance of public health initiatives.

PARENT-TEACHER ASSOCIATION

PTA Meetings were held on 23/9/2024 and 16/3/2024, where academics, sports and other activities were discussed jointly by the teachers' and parents' representatives.

PTA MEMBERS 2023-24

❖ Principal- Ms. Rumjhumi Biswas

❖ Parents' representatives:

- Monami Pramanik (M/O Aryashree Pramanik- Class VII)
- Tuhin Chakraborti (F/O Meghaj Chakraborti- Class IIIB)

❖ Teachers' representatives:

- Arna Bose Dasgupta
- Moumita Shome

CBSE INDUCTION PROGRAMME

Swarnim International School was proud and privileged to host the Capacity Building Programme organised by CBSE, COE Bhubaneswar at its premises on 11th and 12th August 2023. Ms. Vijaylaxmi Kumar and Dr. R.K. Agarwal were the esteemed resource persons. 40 participants attended the very well conducted and informative CRP

SCHOOL MANAGING COMMITTEE

SMC Meetings were held on the following days:

- 8th July 2023 (Saturday)
- 25th November 2023 (Saturday)
- 20th March 2024 (Saturday)

The meetings were conducted in the hybrid mode(both in physical and in virtual mode).

CBSE Affiliation

Swarnim International School is
affiliated to Central Board of
Secondary Education, New Delhi.

Affiliation No. - 2430378,

School No. - 16194.

Thank You
